- other items as required

Grading Method and Scale

90-100	A	Excellent: superior quality of work
80-89	B	Above average: good quality of work
70-79	C	Average: satisfactory quality of work or satisfactory progress
60-69	D	Below expected quality of work
59 & below	F	Failure to meet a minimum quality of work

Grades will be updated weekly. You can always access your current grades and attendance record for each class through the Wengage grading system. You can find a link to Wengage on the school's website (www.skiatookschools.org). The counseling office is in charge of passwords for Wengage. It is your responsibility to check your progress. Grades are figured by dividing the total number of points earned by the total number of points possible. Percents of .5 or above will be rounded to the next whole number.

Testing Methods

Tests will consist primarily of fill-in-the-blank and essay questions. There will also be a variety of other methods such as true/false, multiple choice, and lists. If you have an excused absence during a test you will have one week to make up the test either:

- before or after school,
- time permitting, during your class period. However, since we will work every day in class, there will likely not be time during your class period to make up tests or quizzes from previous days.

If you do not make up the test within one week you will receive a zero for the test.

Attendance Policy

The attendance policy of Skiatook High School will be strictly adhered to in this class. You are required to attend each session of this class. *If you must be absent, it is your responsibility to acquire your assignments when you return. If you know in advance that you will be absent for any reason, including school sponsored events, you will be responsible for acquiring your assignments **BEFORE** your absence.* Those assignments will be due upon your return. This applies to testing dates also. Per the SHS Student Handbook, you will not be able to make up tests or assignments missed during an unexcused absence.

Student Conduct

Disruptive or disrespectful behavior will absolutely not be tolerated. The following rules will be followed according to the SHS Student Handbook.

- No eating in class
- No drinking in class (except for bottled water)
- No cell phones in class except during approved times and for approved functions. If you are caught with your phone out in class without permission, I will take it from you.
- MP3 players will not be permitted during lectures, presentations, movies, quizzes, or tests, but may be used while the students work independently at their desks.

Tardy Policy

You must be in your seat with materials ready for instruction at the appointed start time for your class. The SHS tardy policy will be strictly enforced. If you are more than 15 minutes late for a class and your tardy is not excused, you will be counted absent for the entire period.

Cheating and Plagiarism

Dishonesty such as cheating, violating the integrity of tests, or plagiarism will not be tolerated in this class. A zero will be given for the assignment or test you cheated on or plagiarized. If you allow another person to copy your work or otherwise aid another person in a cheating or plagiarizing incident, you will also receive a zero for that assignment.

Plagiarism is from Latin, meaning *kidnapper!* Plagiarism, whether deliberate or unintentional, can result in a zero for the assignment. To avoid plagiarism, ALWAYS give credit to others for their original words or ideas, no matter if you quote, summarize, or paraphrase. You will use citations to give credit to your source.

Assignment Policy

Assignments are due at the beginning of the next class period unless otherwise noted. *Assignments turned in without a name on them will have 10% of the total grade deducted.* All assignments must be presented professionally with quality, neatness, and well thought-out effort. Illegible assignments will be given a zero.

Technology

We'll be using technology in various ways in this class. You'll be required to register for your school email address. We'll use Google Docs for some of our assignments. If you do not have access to a computer or the Internet, don't worry! We'll visit the computer lab often, and I will also arrange for lab time during before/after school

Makeup Work Policy

For makeup work, we will follow the procedures in the 2014-15 Student Handbook. In summary, students have one day for every day absent to make up work missed during an excused absence. If an assignment was due the day of an absence, it is due the day the student returns. If a student misses a test, she or he will probably not have classroom time to make up the test; the student will need to make arrangements with the teacher. **It is the student's responsibility to obtain makeup work. These assignments may be found in our "Make Up Binder," which is displayed prominently in the classroom.** Please see the handbook for a more detailed explanation of our school's makeup work policy.

Tulsa City-County Library

The TCCL Teen Librarian will visit our classroom. As a part of her visit, you'll have the chance to sign up for a library card! Your TCCL library card will help you gain access to excellent research materials, among other things. If you already have a library card, you're a step ahead!

Outside Reading

You will be required to read at least one outside novel per semester. This novel should be appropriate for your grade level and be approved by your parents. The novel should be at least 130 pages.

Works We will Read in Class

During the school year we will read the following works, subject to change:

- *Midsummer Night's Dream* by William Shakespeare
- *Night* by Elie Wiesel
- Various short fiction and nonfiction works and numerous poems
- If time permits, we may also read either *Great Expectations* or *Lord of the Flies*

Words to Remember**Respect**

- Respect yourself, your classmates, your teachers, and your school.
- Do not interrupt when others are talking.
- Keep hands, feet, and objects to yourself.

Responsibility

- Be in your seat when the bell rings.
- Turn in your papers when they are due.

If you need a conference or extra help, please let me know. I am at school by 7:45 each day, and you are welcome to come in then. I will remain at school until at least 3:10 daily, and I will gladly stay later if you make an appointment. I can also be available during lunch or during my planning period if necessary. If possible, please let me know at least one day in advance of your need to meet with me.

Let's have a great year!
